

REMARKS

This paper is submitted in response to the Office Action mailed March 7, 2007. Claims 1, 2 4-12, 15, 16, 18, 21, 22, 24-31, and 33-44 are pending and stand rejected. Claims 14, 19, 20, and 41-44 stand objected to as being dependent upon a rejected base claim. By this paper, claims 1, 12, 21, and 30 have been amended, claims 41-44 have been canceled, and new claim 45 has been added. Reconsideration of all pending claims herein is respectfully requested.

Applicants wish to thank the Examiner for the indication that claims 14, 19, 20, and 41-44 contain allowable subject matter. The claims have been amended as follows to place all claims in condition for allowance:

1. Independent claim 1 has been amended to include the limitations of claim 41, which the Examiner found to be allowable.
2. Independent claim 12 has been amended to include the limitations of claim 42, which the Examiner found to be allowable.
3. Independent claim 21 been amended to include the limitations of claim 44, which the Examiner found to be allowable. In addition, the limitations of claim 44 have been incorporated into claim 30. Applicant respectfully notes that claim 30 is now essentially identical to claim 21, except that claim 30 is in a machine-readable medium format, whereas claim 21 is in a method format.
4. Independent claim 43, which was objected to but otherwise found to be allowable, has been rewritten in independent form as new claim 45.

All other claims depend directly or indirectly from one of the foregoing independent claims.

In view of the foregoing, Applicants respectfully submit that all pending claims herein are in condition for allowance. Early allowance of all pending claims is respectfully requested. If the Examiner finds any remaining impediment to the prompt allowance of all claims, Applicants respectfully request that the Examiner call the undersigned at the telephone number provided below for a quick resolution of any remaining issues.

Respectfully submitted,

Digeo, Inc.
